STATE COURT, HON. R. B. CARPENTER. JUDGE. PRESIDING.—In this court yesterday a number of civil cases were disposed of, but none of general interest.

THE FOURTH OF JULY AND BANK USAGES .-The paragraph which we published the other day correctly states the law in New York in regard to notes falling due on or about the fourth of July. But such is not the law nor the usage of the banks in South Carolina.

THE BALTIMORE STRAWER sailed at one o'clock yesterday, carrying a large cargo of cotton, rice and aundries for Baltimore Philadelphia, Bos.on, and the cities of the Northwest. The first shipment of rosin from Charleston to Chicago is on board the Maryland this trip.

BEFORE THE MAYOR, yesterday, were eight persons who had imbibed too freely of "fusil oil." Among them was one poor fellow who, lucky ones is still a matter of doubt. Ar hat, coat and vest. In addition to these serious troubles, he had to pay a fine of \$5 for

DRUG LABELS. - We desire to call the attention of druggists in the city and throughout the State to the peculiar facilities of THE NEWS Job Office for printing all kinds of drug labels, prescription blanks, &c., at the shortest notice, and in a style unsurpassed anywhere in the country. Our stock of cuts, borders and fancy type is unusually large and choice. Call and examine specimens of work.

A Cool DRINK .- One of our exchanges has a novel recipe for a pleasant summer drink. We have not tried it, but it may be good : "Take a spoonful of whiskey and drop it care fully on the bottom of a wineglass; then take a quart of water and throw it out of the window. and add more whiskey to that in the glass. Taste to see if strong enough. If so, add more whiskey. Let this preparation stand till you are dry, and then drink it clear."

CABOLINA MUTUAL INSURANCE COMPANY .-The annual meeting of this company was held in the hall of the German Engine Company yesterday morning, when the following named gentlemen were elected the Board of Directors tor 1869-'70: John A. Wagener, President; Wm. Brunjes, Treasurer; H. Klitte, Secretary; Ward No. 1, E. J. H. Fischer; Ward No. 2, J. P. Merkhardt; Ward No. 3, E. H. Stelling; Ward No. 4, P. C. Schroder; Wards Nos. 5 and 7, D. Bulwinkle; Wards Nos. 6 and 8, Fr.

ESCAPES FROM THE PENITENTIARY .- The Columbia Phonix, of yesterday, says: "A colored convict, named H. Jones, who had been convicted in one of the lower counties in this State of murder, and sentenced to ten years in since detailed as a servant at the Superintendent's residence, and permitted to be at large, beat his wife a tew days since and left for parts unknown. Another convict, whose name we ly enjoined. did not learn, escaped from the guard a few mornings.since and made tracks through the olty to the Fair Grounds, trampling down the cotton planted there in his route. He changed his striped dress for a United States soldier's suit, while running, which created considerable merriment among those who saw him He has not been recaptured as yet."

BURGLARY .- Late on Wednesday night last the ladies of Mr. Wood's family, residing on East Bay, just north of the "burnt district," were aroused by some one moving about the house, and gave the alarm. Mr. Wood arose, and on looking around observed a negro moving about. The negro ran off, hotly pursued by Mr. W., but by jumping over a fence into an adjoining yard he managed to effect his espremises, and in doing so observed that the paint shop of Mr. A. S. Freitas, near by, was open. An examination showed that the looks had been broken, and everything inside was in confusion. Mr. F. lost only a small amount of money which was in his drawer, but the burglars, in searching for valuables, had thrown at various points. all of his goods in a terrible state of disorder. Mr. F. had just paid his taxes, and is rather put out that he had paid to have his property. protected, but, as shown, it was entirely unprotected. This makes the second time that ing was given and the case confinued until tohe has been robbed.

PERSONAL.-Ex-Governor Jenkins, of Georia, and family have gone to Europe.

The host of friends of General A. C. Garlingon will learn with regret that he is about to leave Newberry and make his home in Atlan-

Colonel Richard Lathers, of New York, and formerly of this State, having retired from active participation in the insurance business, has been presented by his late associates in the company, over which he so long and successfully presided, with a grand service of

Caumbs .- The position of Clerk of the Mar- 714a714. ket is sought for by several parties, among whom are the present officer, William Kickwood, W. T. Lovett, member of the detective orce, and John W. Slawson. It is asserted that a box of Eu Thu Nika—the

colored people's friend, as it renders woolly hair pliable, softening and straightening the knottiest of it-has been received here, and the Fourth of July celebrationists will appear without curly hair, a distinctive mark of their

Officer S. J. Coates, of the detective force, is running for the office of Harbormaster. The interest due yesterday on the city six

per cent. stock will be paid by the City Treasurer, on and after the 5th of this month. W. A. Quinn, a member of the detective force,

is a candidate for City Sheriff. Thos. A. Caragher is a candidate for the as-

sistant assessorship. Yesterday Captain Habenicht received from the Secretary of State a communication notifying him of his appointment as Commissioner

of Pilotage. Nearly every member of the detective force is applying for a city office. Mr. E. Baynard Seabrook is prominently

spoken of among the Republican party gossips for the City Attorneyship, and will probably be elected. Messrs. H. Cobia & Co. are reconstructing

the building adjoining their place of business in Vendue Range. Mr. H. Cross is doing the brick work, and Mr. D. G. Wayne the wood work.

The Charleston Post of the Grand Army of the Republic will shortly establish another post exclusively for the colored men.

The awning frame, erected by Mr. C. Werner for Messrs. Paul, Welch & Brandes, in front of their house on East Bay, is so tastily finished, and at the same time so light and elegant as to attract general attention.

As misery loves company, it may be some satisfaction to our citizens to know that on yesterday the thermometer in Columbia stood at 102, and in Savannah at 99.

The material of the Charlestoner Zeitung was purchased yesterday by Messes. Erckmann

THE POLICE FORCE—THE CANDIDATES FOR CAPTAIN AND LIEUTENANTS. - It is generally understood that at the meeting of Council on Tuesday night next, called especially for the purpose of electing city officers, the entire session will be occupied in discussing matters connected with the police department, and will result only in the election of the officers for the force, viz: a captain and three lieutenants.

For the office of Captain, H. W. Hendricks. R. W. Willoughby, H. H. Hicks, C. B. Sigwald and Wm. N. Taft are, we learn, candidates. Hendricks is at present the captain of the force; Willoughby is an ex-officer of the Federal army; Hicks was formerly a detective officer; Sigwald was, at one time, captain of the force; Taft is an ex-lieutenant of the third Rhode Island battery. Each faction of Council held a caucus on Wednesday afternoon, and resolved to unite on Major Willoughby. Those who have counted noses state that on the first ballot Willoughby will get seven, Hendricks six and Sigwald five votes; on the second ballot the votes for Sigwald will be cast for Willoghby, which will elect him.

For the office of Lieutenant there are numerous candidates, but so far as we are able to learn, no agreement has been made between the factions, and, therefore, who will be the the candidates are A. E. Philippi, a member of the detective force; - Holloway, a colored member of the police force and a son of Alderman Holloway; John Monaghan; Orlando Levy, ex-lieutenant of the force.

OUR SECURITIES AT THE NORTH.-The New York Herald of Tuesday, in its money article, says: The new South Carolina bonds have been put upon the regular call of the Stock Exchange. The following were the final street prices of the Southern list: Tennessee, ex coupon, 62 a63; do., new, 572 58; Virginia, ex coupon, 58a59; do., new. 62.622; Georgia sixes, 81a85; do., sevens, 95a96; North Carolina, ex eoupon, 594a594; do., new, 544a55; Missouri sixes, 91\u00e2a924; Louisiana sixes, 72\u00e4a78; do., levee sixes, 674a684; do. do., eights. 86a88; Alabama eights, 97a98; South Carolina sixes, old, 85a87; do., new, 1867, 83a84; do. do., 1869,

BURGLARIES.—The frequency of burglaries in our city is arousing serious attention, yet nothing can be done to prevent it, unless the citizens organize neighborhood patrols. It is useless to expect the night force to thoroughly protect the property of the people; their number is too small, and consequently the "beats are very large. The following arrests yesterday by the detective force will give the reader some idea of the increase of this class of crime: Robert Lloyd, colored, arrested oy Officers Nipson and Coates; Daniel Cox, colored, arcested by Officer Nipson; Peter Highgrass, colored, arr sted by Officer Philippi; Abram Brown, colored, arrested by Officer Philippi.

SUMMER STYLES IN BONNETS AND HATS .-Very few straw bonnets are worn this summer. although the fashionable milliners display tastefully trimmed styles that are charming enough to please the most fastidious. The preference is given to lace, tulle or crape. The fluted straws are a novelty this season, and the rows of upright fluting across the top are separated by narrow ribbons or satin folds.

The Fanchon is no longer the fashion, the present style being the disdem shape, which, with its coronal of leaves and flowers, is very becoming to a pretty face, and adds a charm to a plain one.

The most popular style of hat for travelling n the country among the mountains, or for fishing, is the medium width brim, with a scarf of gauze or lace that can be used as a veil if desired. But for seaside wear the very wide brim is in demand, as it affords as much shelter from the sun as a parasol.

#### BUSINESS NOTICES.

CHOICE FAMILY LARD .- The refined family ard, packed in wood caddies by Procter & Gamble, of Cincinnati, is spoken of very highly. The caddy is so prepared that there is no absorption and leakage, the lard itself is a firstclass article, the packages are full weight, and are particularly adapted to hot climates. This lard can be obtained of all first class grocers.
